

Policy on Membership Lists

The Council of Canadians is committed through its regular operations to assisting Chapters in developing their own lists of local activist volunteers through:

- a) special once-a-year mailings for Chapters, upon request, to local members inviting them to attend Chapter events,
- b) articles and regular notices on chapters in the Council's magazine *Canadian Perspectives*,
- c) a special Chapter section on the Council's website, and
- d) continued check boxes on all development materials, including membership brochures, thank-you letters, new member newsletters and specific campaign mailings that indicate those members who wish to be contacted by their local Chapter.

Out of consideration for the privacy of members:

- 1. The Council does not share with Chapters the names of members who have not given us permission to do so.
- 2. It is understood that lists developed for Council Chapters are for the exclusive use of Chapters and are not to be used for purposes other than Council Chapter activities.

Adopted by the Board of Directors on January 31, 2003.
