

DETAILED AGENDA

OVERALL GOALS OF THE NORTH AMERICAN FORUM:

- To set forth a vision for North America.
- To consider concrete recommendations for advancing societal resilience.
- To take stock of progress made among the three governments.
- To consider the private sector's role.
- To build upon progress to-date, creating momentum for the future.
- To introduce the key issues to the incoming administration, Congress.
- To establish the NAF in the minds of policymakers and the media.
