

# For Sale

Offers in Excess of \$1 Trillion Invited  
Willing to Sell One Piece at a Time

Your final opportunity to buy a spacious country! Very few available with similar amenities! Seconds from largest economy in the world. Plenty of green space. Lots of access to fresh water. Contains some of the last surviving old-growth forest. No regulatory restrictions included.

Highlights include:

- Established and stable community with many unique cultures
- Social services sector that is the envy of the world
- World's largest supply of fresh water

Broker also includes:

- Willingness to negotiate away sovereignty
- Willingness to sacrifice labour rights and the environment
- No real commitments to human rights

An auction of this fabulous property will take place in secret over the next year. Close cooperation with big business is expected. All bids from transnational corporations welcome.

Send your bid to Broker/Agent Pierre Pettigrew at [pettip@parl.gc.ca](mailto:pettip@parl.gc.ca)
