

## THOUSANDS HAVE SPOKEN

Dump Site 41 sits immediately atop the pristine Alliston Aquifer - an essential source of fresh water for farms, people, communities, and nature reserves which drains into Georgian Bay.

We can't risk polluting the purest groundwater ever tested without answering the new questions raised since construction started.

Simcoe County Councillors owe it to their constituents to take a second look and consider all the facts.

## MAKE SURE *YOUR* VOICE IS HEARD

**Call, write, or email your Simcoe County councillor before the Aug. 25<sup>th</sup> council meeting and demand they support a one-year moratorium on Dump Site 41**
